Guide Dogs for the Blind

Thank you for considering becoming a sponsor for the 2018 Nevada Day Classic, an event to benefit Guide Dogs for the Blind. Guide Dogs for the Blind (GDB) celebrates the human-animal bond by creating lifelong partnerships between skilled, expertly trained guide dogs and people who are blind or visually impaired. For over 75 years, GDB has provided its dogs and all of its services, including personalized training and extensive post-graduation support, plus financial assistance for veterinary care if needed, to men and women throughout the United States and Canada at no cost to the recipient. GDB has an amazing network of volunteers, including over 2,000 volunteer puppy raising families. It is also the largest Guide Dog School in the country and has over 2,200 working guide dogs. GDB is a nonprofit, tax-exempt organization that is supported entirely by private donations. GDB receives no government funding.

Sponsorship

The **29th Annual Nevada Day Classic** will take place on **October 27, 2018**, immediately preceding the annual **Nevada Day Parade** in Carson City. This is the fifth year that this fun run/walk has been organized as a benefit for Guide Dogs for the Blind and Eyes For Tomorrow (the local club of volunteer puppy raisers). For the last 4 years, over 500 people have registered for this popular event! Puppy raisers and their adorable puppies serve as race marshals, cheering on participants and keeping them on course. The event finishes with a light breakfast, an introduction to our local puppies in training, a costume contest, awards, a raffle and more! Sponsors who help make this event a success are publicly acknowledged and thanked for their contributions before and during the event. **Gold, Silver State and Comstock** level sponsors are also encouraged to provide materials for inclusion in the participant gift bags.
